

Travel Gap Multi Trip

Multi trip coverage For travelers over age 50

Fact: Medicare does not cover you outside of the United States, and Medicare Supplemental plans offer very limited benefits

Act: Buy TravelGap Multi trip to get comprehensive travel medical benefits and access to highly-qualified doctors and hospitals in 180 countries

Travel Gap Insurance Highlights

1. Available up to age 84 from under \$200 per year
2. Pre-existing conditions coverage
3. Picks up where Medicare and Medicare supplements leave off- providing a minimum of \$100,000 for sickness and accidents, as well as \$500,000 for medical evacuations

When you go abroad, did you know Medicare Supplemental plans

- Provide lifetime emergency benefits of only \$50,000
- Are subject to a \$250 deductible and 20% coinsurance
- Are geared strictly for emergencies and do not cover prescriptions, office visits, medical evacuations and more
